None. If "None" is checked, the rest of § 3.1 need not be completed or reproduced.

Installment payments on the secured claims listed below will be maintained, and any arrearage through the month of confirmation will be paid in full as stated below. Both the installment payments and the amounts to cure the arrearage will be disbursed by the trustee.

Amounts stated on a proof of claim filed in accordance with the Bankruptcy Rules control over any contrary amounts listed below as to the current installment payment and arrearage. After confirmation of the plan, the trustee shall adjust the installment payments below in accordance with any such proof of claim and any Notice of Mortgage Payment Change filed under Rule 3002.1. The trustee shall adjust the plan payment in Part 2 in accordance with any adjustment to an installment payment and shall file a notice of the adjustment and deliver a copy to the debtor, the debtor's attorney, the creditor, and the U.S. Trustee, but if an adjustment is less than \$25 per month, the trustee shall have the discretion to adjust only the installment payment without adjusting the payments under Part 2. The trustee is further authorized to pay any postpetition fee, expense, or charge, notice of which is filed under Bankruptcy Rule 3002.1 and as to which no objection is raised, at the same disbursement level as the arrearage.

Confirmation of this Plan imposes on any claim holder listed below the obligation to:

- Apply arrearage payments received from the trustee only to such arrearages.
- Treat the obligation as current at confirmation such that future payments, if made pursuant to the plan, shall not be subject to late fees, penalties, or other charges.

If relief from the automatic stay is ordered as to any collateral listed below, all payments under this section to creditors secured by that collateral will cease

If the amount is less than the allowed claim mount, the claim will be paid the full value securing the claim, with interest at the rate stated below.

The portion of any allowed claim that exceeds the value securing the claim will be treated as an unsecured claim under § 5.1. If the value securing a creditor's claim is listed below as zero or no value, the creditor's allowed claim will be treated entirely as an unsecured claim under § 5.1. The avoidance of any lien because it is not secured by any value must be addressed in Part 9. The mount of a creditor's total claim stated on a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary mount stated below.
